From the Manager ~

I'm so excited to tell you we are nearing completion on our transmitter building near Loman, MN! It seems like we've been working on it for a long time, but in reality, it was just last Fall that we started to build, and we didn't work on it much all winter.

We were hoping to move our transmitter this spring, but a few minor delays have pushed that date back by a couple months. I am fine with that—and it looks like by taking our time and using volunteer help when available we have been able to save a significant amount of money on the project.

Our actual expenses paid out so far are just about \$30,000 - and I am anticipating when it is all said and done—with all the receipts paid in full—that the cost will be under \$40,000. That's well below the \$70,000 of one of our early tabulations of the cost, and very close to our initial estimate of what we would need. God has really helped provide for the construction of this building, and our listeners have provided the money we needed to do it so

that we have remained debt free. We still have a ways to go, however. Your gift for this project is still needed - and we would still like to give you a Psalm 99.5 lapel Pin for your financial participation.

Thank you for keeping Psalm 99:5 in your prayers! Our Sharathon is coming up in August. Our theme for this year's Sharathon is "Living Faith" - a testimony to those who first started this ministry so many years ago, and to our listeners and supporters who continue to 'step up' and financially provide even in the midst of difficult circumstances.

Thanks for your friendship -

Thanks ~ Bruce Christopherson

"See to it that you obey God, the one who is speaking to you. For if the people of Israel did not escape when they refused to listen to Moses, the earthly messenger, how terrible our danger if we reject the One who speaks to us from heaven! When God spoke from Mount Sinai his voice shook the earth, but now he makes another promise: "Once again I will shake not only the earth but the heavens also." This means that the things on earth will be shaken, so that only eternal things will be left. Since we are receiving a Kingdom that cannot be destroyed, let us be thankful and please God by worshipping him with holy fear and awe. For our God is a consuming fire."

Hebrews 12:25-30 (NLT)

If we are facebook friends, you know I recently posted this Scripture because it is so fitting for today! As I look around and listen and observe all the corruption and catastrophes that are taking place in our world today I am humbled and drawn to my knees. If you are like me you want to finish the race strong and hit the mark. This is not a task for the faint hearted for sure!

Here at Psalm 99:5, we really have a daunting task and responsibility to stay true to the calling that the Lord has placed upon us here. To bring sound programming and Scripture based music to encourage you, the body of Christ. But also, we are here to present the opportunity for the unbeliever to accept Jesus Christ as Lord and Savior! Now is that a responsibility or what? Sometimes I think to myself am I worthy of that task? It doesn't take long for the Holy Spirit to interject how He has called us for this purpose, day and hour to meet the needs of a segment of hurting and maybe discouraged people in our little corner of the world!

Friends, I want to ask if you will come along side us and support the Lords work in our format of Christian media which is radio? Bringing the message of Hope to a world that is discouraged and void of the gospel message. We truly count it all joy as James says for there are trying times and difficulties which God continues to use to build and increase our faith! Please keep us in prayer as we continue on the journey until Christ returns! If you choose to stand with us, you have given us reason to **Keep Believing His Word!**

Kathryn Scott ~ *I Belong*

Kathryn, singer and songwriter has served with the Vineyard team of worship leaders for years writing many familiar songs. Probably the two that are most familiar to you would be "Hungry" and "Breathe".

Kathryn has released her solo project called "I Belong". It is a very sweet project to which she has written all of the songs even remaking "What a Friend" a familiar hymn. My favorites include, "Everything Changes", "Only True God" and "Thank You For the Cross". After each song listed on the insert she tells you its history which is sweet and gives insight into the heart of this worshipper.

Vertical Connection

It is with much amazement that I look back over the past almost six years and thank God for the opportunity God has given me to bring you the two hour program, *Vertical Connection*. We will be celebrating our sixth anniversary on September first. Along with these past six years I have been privileged to be able to host six ladies retreats. A dream that the Lord fulfilled with the okay of the Board of Directors. Wow, who would have thought it could ever be!

The other thing that I have enjoyed presenting to you are the various reads through a host of books that have primarily focused on Worship and prayer. From the Worship Series to the His Princess series from Shari Rose Shepherd I have heard from you that these reads have been a blessing. And of course this year began the *Selah Moment* which is simply the reading of the Word in a brief couple of minutes each day.

If you have been blessed by this program please drop me a line or two that I can share on the website. Please keep me in prayer as I plan for the coming fiscal year! And thank you for listening.
